PRODUCT CATALOG

Safety Netting

MADE IN BRAZIL

Equiplex® safety netting for windows and balconies are the only ones in the market with authentication tape incorporated in the net, which guarantees its origin

- Made of **100% virgin** polyethylene in twisted thread, for greater resistance
- Contains **anti-UV additive**, for greater durability against the action of ultraviolet rays
- Contains **Swiss antioxidant additive**, which slows down the net aging
- Do not conduct electricity, do not oxidize and do not absorb water

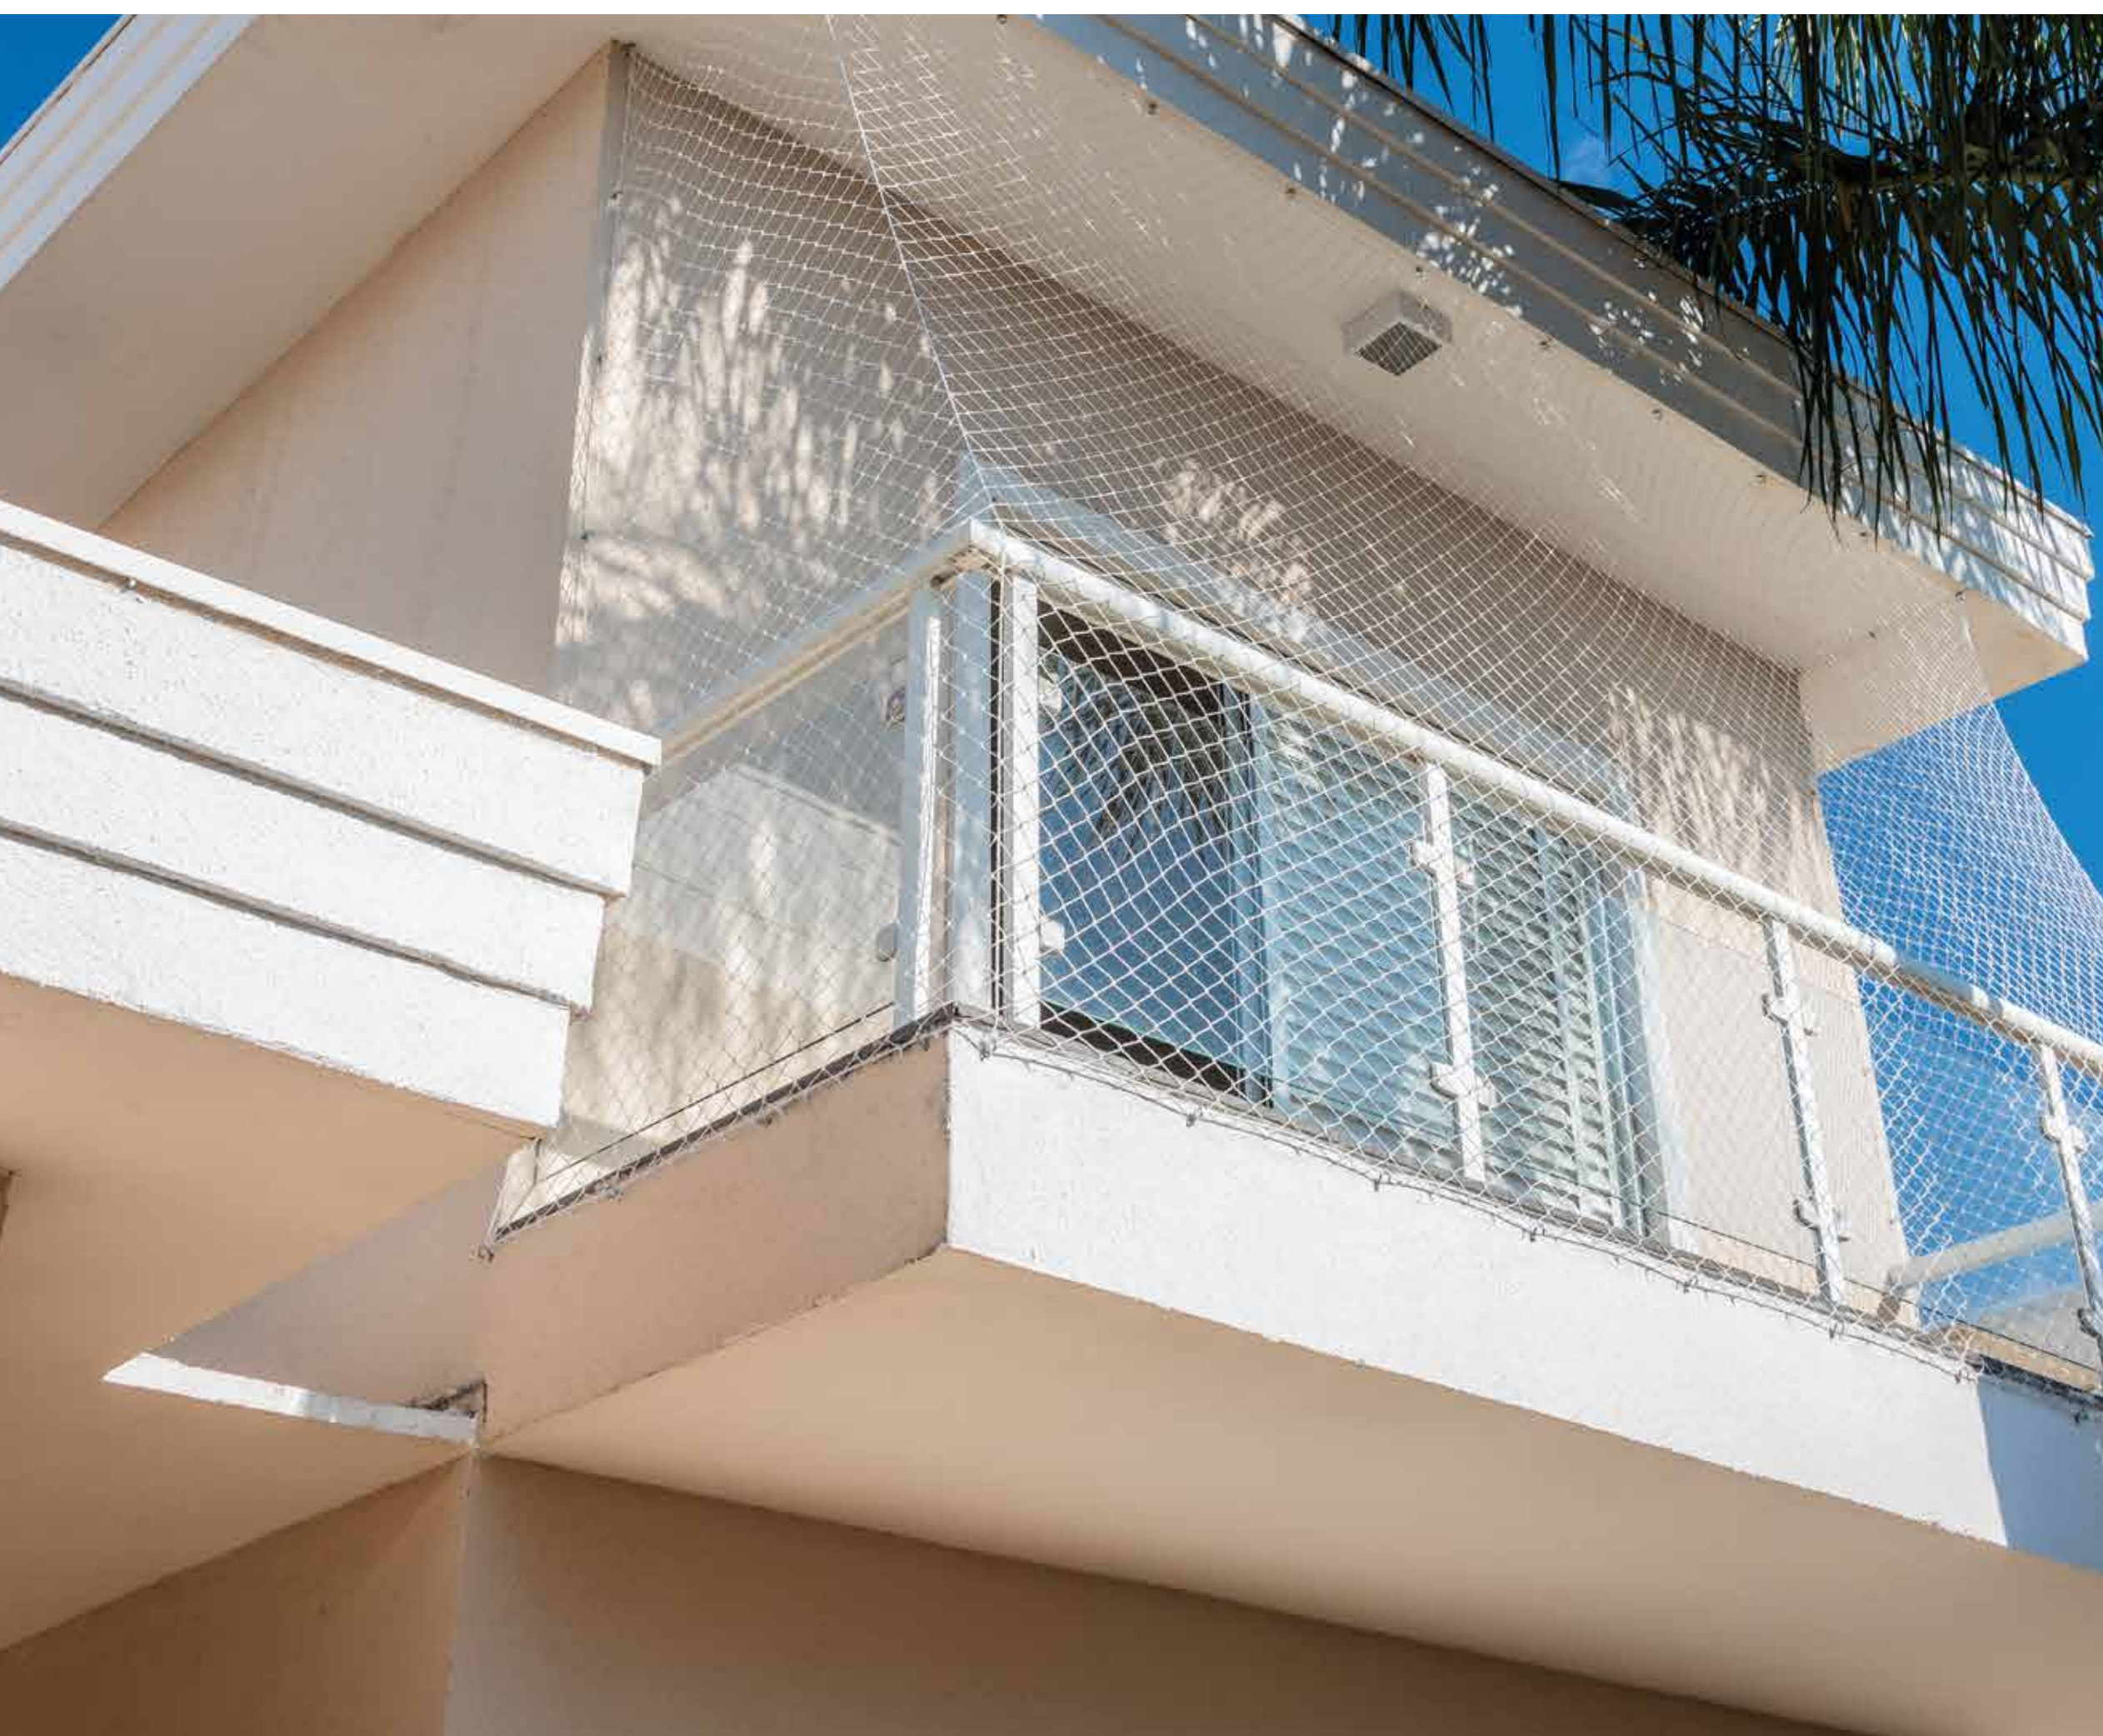

equiplex®
redes de
proteção

- **3-year** warranty
- Manufactured under the supervision of **technicians specialized** in polymers
- Suitable for custom cutting and installation
- Variety of colors
- The only one that meets **100%** the requirements of the **Brazilian standard ABNT NBR 16046**
